**Subject:** Electoral Review of Bath and North East Somerset: Warding Arrangements

Thank you for the invitation to comment on the Electoral Review of Bath and North East Somerset: Warding Arrangements.

Since being established in 2011, Westfield is one of the newest and fastest growing parishes in Bath and North East Somerset. Like many parishes Westfield has its own unique needs, a complex industrial and civil history and identity which have all been researched and documented in the Westfield Neighbourhood Plan, which is in its final stage of consultation before examination.

Westfield is also the location for one of the largest trading estates in Bath and North East Somerset which houses some large, high level technology companies, and a large campus of Bath College both of which add important, yet differing, facets to our community.

The rapid population growth of the parish means that the Parish Council welcomes this Review and requests that its Ward Councillors increase from two to three..

We would be very pleased to supply any further information about Westfield, its recent rapid growth and its aspirations for the future. Please do let us know what is required.

Yours sincerely,

**Lesley Welch FILCM**  
**Parish Clerk**
