I live at Hothfield within the current ward of Downs West. I note that under the new proposals, Hothfield moves to the new ward of "Upper Weald", which in addition to Hothfield, appears to embrace the Pluckley and Little Chart areas. I don't have any objections to this proposal. I should declare that I am submitting this as a private individual and not in my role as chairman of Hothfield parish council - these are my views alone as a member of the public and not those of Hothfield parish council, who have yet to discuss this matter.
