I write on behalf of the Boughton Aluph and Eastwell Parish Council.

Whilst recognising that there was a 10 week consultation period re warding arrangements, before further review and preparation of final draft, sadly, our council have not had the opportunity to fully consider the changes that are proposed to be made to our parish.

With the Parish Councils next meeting due to be sat on Thursday 15th September, may we ask for an extension to the timescale please, to ensure that our comments are received by you, by Thursday 22nd September to be considered in your draft plan.

I thank you for your consideration in this matter.

Graham Jordan  
Parish Clerk - Boughton Aluph and Eastwell Parish.
