**Comment text:**

At the meeting of 19 September 2017, the Parish Council resolved to respond to the consultation as follows: 1. The Parish Council noted the proposed reduction of South Gloucs Councillors covering the parished area from seven to four. 2. The Parish Council wishes consideration is given to an alternative name for the proposed Mount Hill parish ward. The preferred name of Cock Ridge ward is deemed more suitable. 3. The Parish Council wishes consideration is given to retaining the entirety of the recognised community of Cadbury Heath completely within the ward of Cadbury Heath. The Parish Council suggests that in order to balance the sizing of wards, certain addresses in the Barrs Court area are moved into the proposed Longwell Green ward.
