I fear that I have detected a couple of errors in your document Further Electoral Review of South Gloucestershire: Final Recommendations.

In the summary of wards on pages 9-13, both the Frenchay & Stoke Park ward and the Winterbourne ward are described as containing the Winterbourne parish ward. The map suggests that the former is the case.

The description of the Thornbury South & Alveston ward says that it takes wards from the existing Thornbury North ward. I think that should read Thornbury South.

The Thornbury mishap is, I assume, a mere spelling mistake. However, I should be grateful if you could confirm the disposition of the Winterbourne parish ward.

Thank you
