Dear Sir/Madam

## Re: Electoral Review of Lancaster Consultation

I have been asked by the Parish Councillors of Nether Kellet to advise that they are happy with the proposed amendment to extend Kellet Ward to incorporate the community of Gressingham.

However, they have expressed concerns regarding wards that are represented by more than one councillor. This does not apply to Kellet Ward, but to incorporate the ward of Warton with the Carnforth wards does seem to be a retrograde step. Incidentally, Carnforth adjoins the boundary of Kellet Ward. The two communities of Carnforth and Warton differ in many ways and it is difficult to see how any one of three councillors can represent the interests of the residents of Warton as the nature of the two communities is so different.

Yours Sincerely,

Michael Watson
