

## North Norfolk District

### Personal Details:

**Name:** Tracey Bayfield

**E-mail:** [REDACTED]

**Postcode:** [REDACTED]

**Organisation Name:** BLAKENEY PARISH COUNCIL

### Comment text:

Blakeney Parish Council proposed and supports a new Coastal Ward as opposed to the current Glaven Valley Ward, however, we would like to see any new Coastal Ward include the parish of Stiffkey, as opposed to Upper Sheringham, which is not coastal and which we feel should be included with Sheringham. This would keep the local coastal communities with the same/similar issues grouped together, which would seem to make far more sense.
