Dear Sirs

Following a discussion last month the Town Council is disappointed that this review was not extended due to the restrictions in place due to Purdah during the run up to the General Election. The fact the Review Assistant did not feel this fell within Purdah did not reflect the feeling on the ground which was very different therefore this Town Council decided it could not make a decision before the 9<sup>th</sup> June 2017.

Having now considered the review Emersons Green Town Council feels that both the Town Council and District Council boundaries should be in line with each other thereby creating a unified community.

Please arrange for this comment to be included in the responses to the consultation

Yours faithfully

Cate Davidson
