Subject: Electoral Review of South Gloucestershire

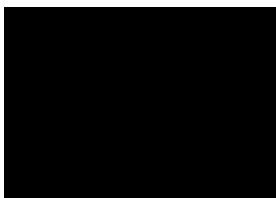

Dear Sirs

At a Parish Meeting last parishioners discussed the electoral review of South Gloucestershire.

We acknowledge the Commission's proposal to reduce the number of councillors by nine to 61. Tortworth is a rural parish within the Charfield Ward along with Charfield, Falfield and Cromhall.

The parish felt strongly that our existing ward boundary works well for the Parish and we would advocate no change to the boundary. We hope that the Commission will not reduce the number of rural wards.
