Subject: Electoral Review - East Sussex

For the attention of The Review Officer

Fletching Parish Council is satisfied that no material changes are required to its parish or ward boundaries. However, we would like to see the following properties in Down Street, Nutley TN22 3LG returned to within our parish boundary if possible: Meadow View, Old Woodcocks, The Oasthouse, The Old House, Whimsey Hill, Woodcock Farm.

These dwellings are within the Fletching Parish Church (St Andrew & St Mary the Virgin) boundary and are viewed as part of our local community. The residents are involved in parish groups and activities. We believe this area did form part of Fletching Parish prior to the last boundary change and we would like it to be restored.

Kind regards

Katherine Rumble
Clerk & Responsible Finance Officer
