

**For the attention of Mr Dan Carlsson-Hyslop**

Dear Mr Carlsson-Hyslop,

I am writing on behalf of Hoveton Parish Council concerning draft recommendations on the future electoral arrangements for North Norfolk District Council.

Hoveton Parish Council was disappointed not to have been contacted about this matter directly, and I would like to request, if possible, a copy of your letter titled ELECTORAL REVIEW OF NORTH NORFOLK: DRAFT RECOMMENDATIONS, as emailed to Neatishead Parish Council on 6th December 2016. I would be grateful if you could also add Hoveton Parish Council  to your mailing list.

Following Hoveton Parish Council's response to the initial boundary consultation (submitted by Cllr Kerry Walker on 12th September 2016), Hoveton Parish Council has asked me to write to you with its response to the public consultation closing on 30th January. Hoveton Parish Council agrees with many of the points raised in the consultation response submitted by Neatishead Parish Council (on 21st December 2016). In particular, Hoveton Parish Council feels it would be inappropriate to link the parishes of Hoveton and Neatishead because of the differences between them and the different issues faced within the two parishes.

Kind regards,

Lisa Weller  
Parish Clerk and RFO  
Hoveton Parish Council
