

South Gloucestershire**Personal Details:****Name:** Richard Rogers**E-mail:** **Postcode:** **Organisation Name:** Olveston Parish Council**Comment text:**

Olveston Parish Council considering the proposals wish to remain as members of a rural ward, and particularly to have the Parish Boundaries retained within a single Ward. They are therefore happy to be considered part of the proposed Severn Vale Ward. Having only ever been represented by a single Councillor, the Parish Council would welcome additional information how Councillors in a 'multiple' Ward interact with the associated Parish Councils that they represent.
