Dear Sirs,

Re- Bathavon North Ward

At a recent meeting of Bathampton Parish Council, possible changes to the ward boundary were discussed.

It was agreed that it would be preferable to keep the three parishes of Batheaston, Bathford and Bathampton together as they are all together in the same valley and there is much that they have in common. Also Claverton Parish is in the same valley and should be included.

Looking at the map, Bathavon North Ward is a large crescent shape surrounding half of Bath. It would make sense to draw the new boundary to the North East possibly around the Langridge or Kelston areas.
