Dear Sirs,

As a NNDC district councillors covering the Lancaster South Ward ( Fakenham) I would request that you please give consideration to my fellow councillors in Lancaster North Ward and review your decision to adopt a single member for this Ward . I think their suggestion of incorporating Sculthorpe into the LN Ward is both practical and logical. I for many years has a business interest in Sculthorpe, it's customers,address,telephone code and post code all have the Fakenham connection. Please reconsider your proposal regarding this area, Regards Cllr. John Rest  
NNDC LANCASTER SOUTH WARD( fakenham )
