Dear Local Government Boundary Commission,

The above Parish Council is in the Authority of Bath & North East Somerset.

The copy attached shows - in green - a part of Bath's Wards that was taken away from Batheaston.

Most of the residents in this area have to travel into Bath for any elections and wish to walk to the Batheaston Polling station, so much more convenient.

Quite a number recall being "a part of Batheaston".

If there are any queries please do not hesitate to contact me

Regards Mike Townley (Clerk)
