

South Gloucestershire**Personal Details:****Name:** John O'Neill**E-mail:** **Postcode:** **Organisation Name:** South Gloucestershire Council**Comment text:**

I would welcome the draft proposal to retain the Charfield Ward in its existing form, situated in the northern boundary of the authority this ward also shares services such as health, education and public transport with Gloucestershire, with two of the four parishes on the boundary the current representation of the four parishes is seen to work in the best interests of the communities.
