I would request that you have considered the following submission, that all wards should be single member only for the following reasons [1] that it would encourage potential councilors especially those who are not from the major parties [2] that some sitting councilors could be 'carried' by their party in multiple wards [3] that it enables the elected member to become known to their ward [4] it would also ensure that an elected member was directly responsive to the electorates concerns. Tony Johnson [Carnforth Ward, Lancaster City council] UK businesses use up 2 million tonnes of paper each year. Think before you print this email - do you really need to? Thank you.
