Dear Sir,

Further Electoral Review of North Hertfordshire: Final Recommendations

Royston Town Council has had an opportunity to consider the final recommendations as they relate to Royston.

Members are disappointed that the proposals put to the Boundary Committee by the Town Council have not been included in the final recommendations. However, members consider that the recommendation that the electoral cycle will not be amended for the Town Council is an eminently sensible one.

Members felt that the original recommendations made to the Boundary Committee are still valid. It is hoped the Boundary Commission will carefully evaluate the recommendations made by the elected members representing Royston.

Yours faithfully,

Town Clerk
