Dear Sir / MADAM,

PROPOSED MERGING OF HITCHWOOD, OFFA, & HOD WARDS.

I should like to strongly object to the proposed merger of the above three wards.

We are served very well by our own ward OFFA & Local living Councillor CAROL STRONG. Please don't merge 3 into 1 as smaller is better. Good local knowledge & accessibility are just two reasons as well as each area has very different needs.

Yours

Marion & Michael Goddard
