Dear Sirs,

Re, the above, strongly
object to the new proposals
for boundary changes in
Letchworth Garden City.
Having changed from
Wilbury Ward, 8 years ago,
to East Ward and now
South West Ward, we be
expected to continue
thus?

With all the house building

going on, (Skill Centre) etc.
What are you actually
achieving? A lot of pain
for very little gain, it
seems.

Yours faithfully
