Your feedback : I would be very angry if the castle ward boundary is changed. It makes absolutley no sense to me to remove streets that come off Castle Road from the castle ward. As someone who lives on George Street (where the new boundary would be), this change would impact on myself and my family. There is a clear boundary present already - Newnham Avenue being a sensible cut-off point. Everyone I have spoken to in my area agrees that to divide castle road area would be wrong - Lets just hope someone bothers to listen to the residents/voters/taxpayers for a change
