Dear Arion

I apologise for not submitting my Council's comments yesterday but hope that today will suffice!

Having consulted our Ward Councillors for Central Bedfordshire, Barton-le-Clay Parish Council would like to support their position which is to maintain the present 'status quo' for the time being to allow the new Unitary Authority to establish itself and avoid further disruption to our local government.

I trust this email is an acceptable method of submission.

Kind regards

Susan Foulkes

Dear Arion

Having spoken to your colleague I am forwarding you my report prepared for my Council's next meeting on the evening of Monday 14th Sept. As you will note this date coincides with your deadline for responses and therefore your colleague advised that I forward you our papers and that you will then accept a submission from us, if any, on Tuesday 15th Sept by email.

I trust this is acceptable to you but should you have any queries please do contact me.

regards
