Subject: Ward Boundaries in Central Bedfordshire

I am writing on behalf of the Committee of Heath & Reach W.I. in response to your request for views on the proposed reorganisation of ward boundaries in Central Bedfordshire.

We feel it useful to point out that Heath & Reach W.I. is currently one of the largest voluntary groups in the village with 120 Members (and a further 20 ladies on the waiting list). It is a vibrant organisation, very involved in the life of the village, responsible for initiating and running the Annual Pancake Race, raising money for the Barn restoration, helping to support The Royal British Legion, the Village Show and many other village activities. Whilst a sizeable group of Members live in the village, the majority do not, with the largest group being residents from the Plantation Road/Heath Road areas.

It would seem useful for any reorganisation discussions to focus and build on the close social as well as geographical links that exist between Heath & Reach and Plantation.

On behalf of Heath & Reach W.I.
