Members of Winslow Town Council considered the Electoral Review for County at their meeting on Thursday 3rd March 2011 and instructed me to respond to the consultation on their behalf, as follows: Should adjustments to the Winslow Ward be considered necessary, it is important that Winslow "parish" as a whole remains within one Ward.

Should the Winslow Ward need to increase in terms of the number of electorate, it would be appropriate for Granborough to be included in the Winslow Ward, due to the village's proximity and affinity with the town or Winslow.

I trust these opinions will be considered as pertinent should the issue arise.

Yours

Bridget Bradford

Clerk, Winslow TC.
