Dear Mr Morrison

Electoral Review of Buckinghamshire

Thank you for your letter of 12th October, inviting comments by 22nd November. A copy has been passed to the leaders of all political groups within Wycombe District Council, and I believe that they will prepare their own response should they have any representations to make about the review.

My own comments are of a purely administrative nature. As you may know, the current Council Council electoral boundaries are coterminous with district wards, i.e. each County Division is made up of two or more district wards exactly. I am sure you can appreciate how complex the organisation of elections can be if boundaries are not coterminous, and I would therefore ask that you take this into consideration when reviewing the County Council boundaries.

I understand that you have already received an electronic copy of the Register of Electors for Wycombe, and my Electoral Services Manager, Julie Mills, will be pleased to give you any further assistance you require.

I look forward to hearing from you once your initial conclusions on Council size have been reached.

Yours sincerely,

Karen Satterford
Chief Executive
