Dear Sir,

### ELECTORAL REVIEW OF HART DRAFT RECOMMENDATIONS

Thank you very much for the opportunity to respond to the above consultation. The matter was thoroughly debated at a Council meeting and Members were content with the district ward arrangements for the parish.

However, Members most strongly recommend that the various wards (Gally Hill; Ewshot; Church Crookham; and Crookham Village Parish) have a name which all can identify with and in this respect would urge that the name be "Crookham & Ewshot Ward".

Members look forward to seeing the conclusions of the Review in due course.

Yours faithfully,

***Carol Leversha***

Clerk of the Council
