Subject: Boundary Review - (Hartley Wintney) - Hart

Dear Sirs,
Please find below the comments of Hartley Wintney Parish Council in relation to the current boundary review consultation.

Members that the parish of Elvetham should remained within the boundary of the Hartley Wintney district ward. In addition, although the electoral numbers would add up in favour of joining the Parish of Eversley to the Hartley Wintney ward to which there would be no objection, members felt that it should noted to the boundary Commission that Hartley Wintney Parish has far more of a natural affinity and indeed a number of shared concerns with the adjoining Parish of Winchfield which was previously part of the Hartley Wintney ward and should this be an option, it would be a welcome one. "

Kind Regards

Leah
