Your feedback: I am horrified by the proposal to reduce the number of county councillors to 57. Given that Northamptonshire CC plans to provide services to an increasing population, I find it unacceptable that democratic representation of its citizens should be reduced. I am unaware of any research to show that the casework of county councillors has reduced or is likely to reduce in the future. I regard

the level of savings to be delivered by this initiative to be irrelevant in the context of the size of the total county council budget.
