

Electoral Renewal of  
Summer

15/10

RECEIVED  
20 OCT 2010

Dear Miss Murphy,

I am writing on behalf of the  
F&G Community Ass in reply to your  
letter.

As a small community we do not feel  
we have too much experience in the  
request for comments.

However it is obvious we should be  
the same number of constituents represented  
by a councillor or some people might  
consider themselves unfairly treated.

There is a problem with this. For some  
reason I have never solved voting does  
seem to go in areas. Our large housing  
estate seems mostly Lib Dem. Another one  
is Labour (Council estate) & another is  
Conservative. So if any tinkering is done  
this might give an unfair advantage to  
a candidate.

Sincerely we feel that with finances so  
difficult at the moment why is money  
being wasted on this unnecessary consultation.  
Better fill the potholes!!!
