Dear Sir or Madam

Divisional boundaries - Tandridge

I am writing to express my concern about the lack of consultation around moving Tandridge from Oxted to Godstone. This is not in our interest as residents, particularly as our amenities, eg doctors, dentists, schools, banks, station etc are based in Oxted. Additionally, we are geographically closer to Oxted – the nearest place I can walk to is Old Oxted.

I do hope this will be re-considered.

Yours faithfully

Melissa Richardson
