Dear Sirs,

I have been reading about the above consultation relating to Beaconsfield and the proposed changes to the local council boundaries.

Without attempting any detailed analysis of the proposals, my over-riding feeling is that Beaconsfield should be treated as a whole and not subdivided into different areas. Broadly, it is north of the M40 (not A40), includes all of Seeleys and Sandlewood estates; Holtspur in the west and the A355 in the east.

Common sense would say to me that the town as a whole needs to be represented and for it not to suffer from fragmentation or partition.

I trust that my views are clear to you.

Regards
