Dear Sirs

The Beaconsfield Society has drawn my attention to the proposals about the future boundaries of Beaconsfield.

On and off, I have lived here for some 50 years and both my sons were educated at Holtspur Infant and Primary Schools until they attended Aylesbury Grammar School. I later became deeply involved with Community affairs, including serving as secretary of the Beaconsfield Society and other community groups. Accordingly, I have a strong affection for the Town and concern for its future. I am, therefore seriously concerned about some of the proposals for its boundary re-organisation as they would **not** improve local democracy in my view,

In particular, I feel that ALL of the Old Town should be included with the rest of Beaconsfield in one ward, rather than, as currently, part of the Old Town forming part of the Gerrards Cross ward. The current ward boundary line running across Seeleys Estate/ Penn Road/ Disraeli Park does not seem the best boundary line either. Surely ALL of Seeleys estate, Sandelswood estate and Knotty Green should also form part of the same ward as Beaconsfield, and NOT be represented by Penn Councillors?

I hope you will take these concerns seriously and would be grateful for your response.

Yours faithfully,
