I live in Chalfont St Peter - near to the boundary with Gerrards Cross. I think the Denham, Gerrards Cross, Chalfont St Peter and Chalfont St Giles boundaries should be adjusted - and if there are to be less wards there is an opportunity to address obvious areas for improvement - such as: The part of GX that is on the Denham side of the M25 should be in Denham, the part of Denham around St Huberts Close in GX should be part of GX, The North of CSP around Newland Gorse should be CSG and the part of CSG that is Layters Green Lan should be CSP. It would actually be good to put CSP and GX together in the same ward. However, I can see it is a complex problem. Good luck!
