Beaconsfield should not be split. In the south, all of the Old Town should be included, down to the M40, so that Beaconsfield Parish Church and the rugby club are in Beaconsfield! South of the motorway, it seems sensible to include Beaconsfield Town Football club and the remainder of the Hall Barn Estate, but that's not a residential area. In the north, all of Seeley's estate up to Forty Green Road, Sandelswood End and Knotty Green should be in Beaconsfield rather than Penn. The boundary should be Finch Lane, which is almost opposite Forty Green Road.
