

East Hertfordshire District Council**Personal Details:****Organisation Name:****Comment text:**

I work and live in Stanstead St Margaret's and think it makes total sense to merge Stanstead St Margaret's, Great Amwell and Stanstead Abbots. Most people who live in St Margaret's think of themselves as living in Stanstead Abbots and any postal address entered onto electronic forms comes up as such. It is also difficult to recruit Parish Councillors so reducing the number required by amalgamating is a sensible option.
