Dear Sirs,	
I have received informati	on about the Boundary Change Consultation.
I would like to comment Ware and Hertford.	about the Rush Green Roundabout at the junction of the A10, A414 and B1502 between
My view is that the ENTIF	RE Rush Green roundabout should fall into a single Ward.
Petrol Station which wou	ems with traffic chaos caused by people queuing for McDonald's "restaurant" and the BP ald be better handled if the roundabout was not shared between four wards - Ware Priory, ads, Hertford Kingsmead and Hertford Heath & Brickendon.
I hope that my comment	s make sense
Yours faithfully,
