Comment text:

Buntingford Town Council discussed the boundary review proposals at the meeting of the Council on 31st March 2022. The Council is of the opinion that the boundary for the Buntingford Ward should be extended to include Hormead and Hare Street. To do so would still be within the limits for the number of electorate. The reason for the requested extension of the boundary is that there exists a Neighbourhood Plan area which includes Buntingford, Aspenden, Cottered, Buckland and Chipping and also Hormead and Hare Street. The Council believes that the ward boundary should reflect the Neighbourhood Plan area. The planning policies within the plan are relevant to Hormead and Hare Street and it's far more practical for these areas to be included in the same ward and be represented by the same people. I attach a map of the Buntingford Community Neighbourhood Plan area for your information.
