Comment text:

The adjustments I would suggest are - 1. Amalgamate Vange and Nethermayne and extend the boundary to the southern railway line below the B1464. 2. Amalgamate the piece of Nethermayne south of the same railway line with Pitsea South East - keeping the name - which should itself end at the railway line. 3. Rename the northern section of Pitsea South East as Pitsea North. 4, Divide and relain St Martins and Fryerns more equably. 5. Divide and realign Lee Chapel North (as Lee Chapel) with Laindon Park and Crouch. There should be a maximum of 3 Councillors per ward, with the less populated wards, i.e Burstead, Crouch and Pitsea South East having 2 Councillors.
