

## Basildon Borough Council

### Personal Details:

**Name:**

**E-mail:**

**Postcode:**

**Organisation Name:** N/A

### Comment text:

Myself and my family live in the Nethermayne. In total there are 12 of us. The Only Councillor we ever see out on the Streets - 'trying to make a difference' or 'lend an ear' Is KERRY SMITH. He is also the only one we get a news Newsletter from. With this in mind - what do the other Councillors do ? Boundary changes should not benefit them. Faithfully
