I live in the current St James ward, Tunbridge Wells. I am [REDACTED]
[REDACTED], which falls within St James. In the 26 years I have lived here, this ward has had Lib Dem councillors, something quite unique in Tunbridge Wells a while ago! St James is quite a distinct area. If we have larger areas for our town councillors, I am in agreement with this map a local friend produced, which shows quite natural boundaries for a St James area, and it's sense of community - schools, churches, shops and the park. We do not have an overall statement at the moment from the membership of [REDACTED], but maybe at the next round of consultation we could assist further. So I am responding as an individual.
