I absolutely object to this proposal as you are moving us out of the old town, into the pin green area which will DRAMATICALLY affect the VALUE OF OUR HOUSE. If i wanted to live in pin green I would have bought a house there. IF YOU go ahead with this proposal and totally ignore us as you have in the past, I WILL NEVER VOTE FOR YOU AGAIN. I'm also going to look into the how legal this is, as it will wipe £100,000.00 of the value of my house. When I bought my house in the old town, I also paid a premium for being in the old town. WHAT IS THE REAL REASON FOR THIS???
