Comment text:

I do not agree with the proposals to significantly expand the area covered by the Chells ward at the expense of reducing the area covers by the Manor ward as the proposed Chells area would become too large and difficult to maintain the current level of service and support by voted councillors representing that ward. Should this proposal go ahead, then the councillors that are currently voted to represent those areas of Manor ward, that may become parts of Chells ward, should be transferred across to Chells (or made available for a new vote), for example, the number of councillors for an increased ward size for Chells should be increased with those from Manor.
