Response from St Nicholas Hurst Parish Council: "We don't see any benefit in our community of Hurst being part of a much wider area to make up the number of electors. Hurst and Ruscombe are two very rural parishes, whereas Twyford is a small town. Hurst is the largest parish in Wokingham with its own distinct identity and joining with Twyford will dilute the relationship our Councillor has with the community. Hurst is mainly agricultural with three settlements (Ashridge, Davis Street and Village Wards), all with their own requirements and much different from those of large housing settlements like Twyford."
