Dear Sirs,

Bracknell Forest is consulting as part of their Boundary Review.

We are taking the opportunity to request that the boundary is moved slightly to locate our residence within the Crowthorne parish. (Currently it sits just inside the existing Central Sandhurst boundary). We enclose a map showing the location of our property, the existing boundary and the requested new boundary.

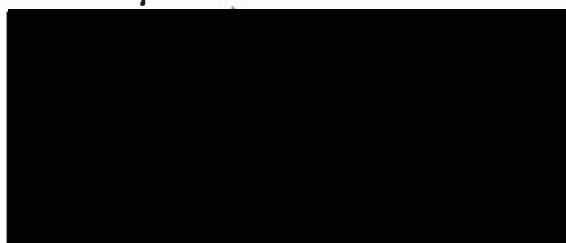

Specific reasons for the proposal are:-

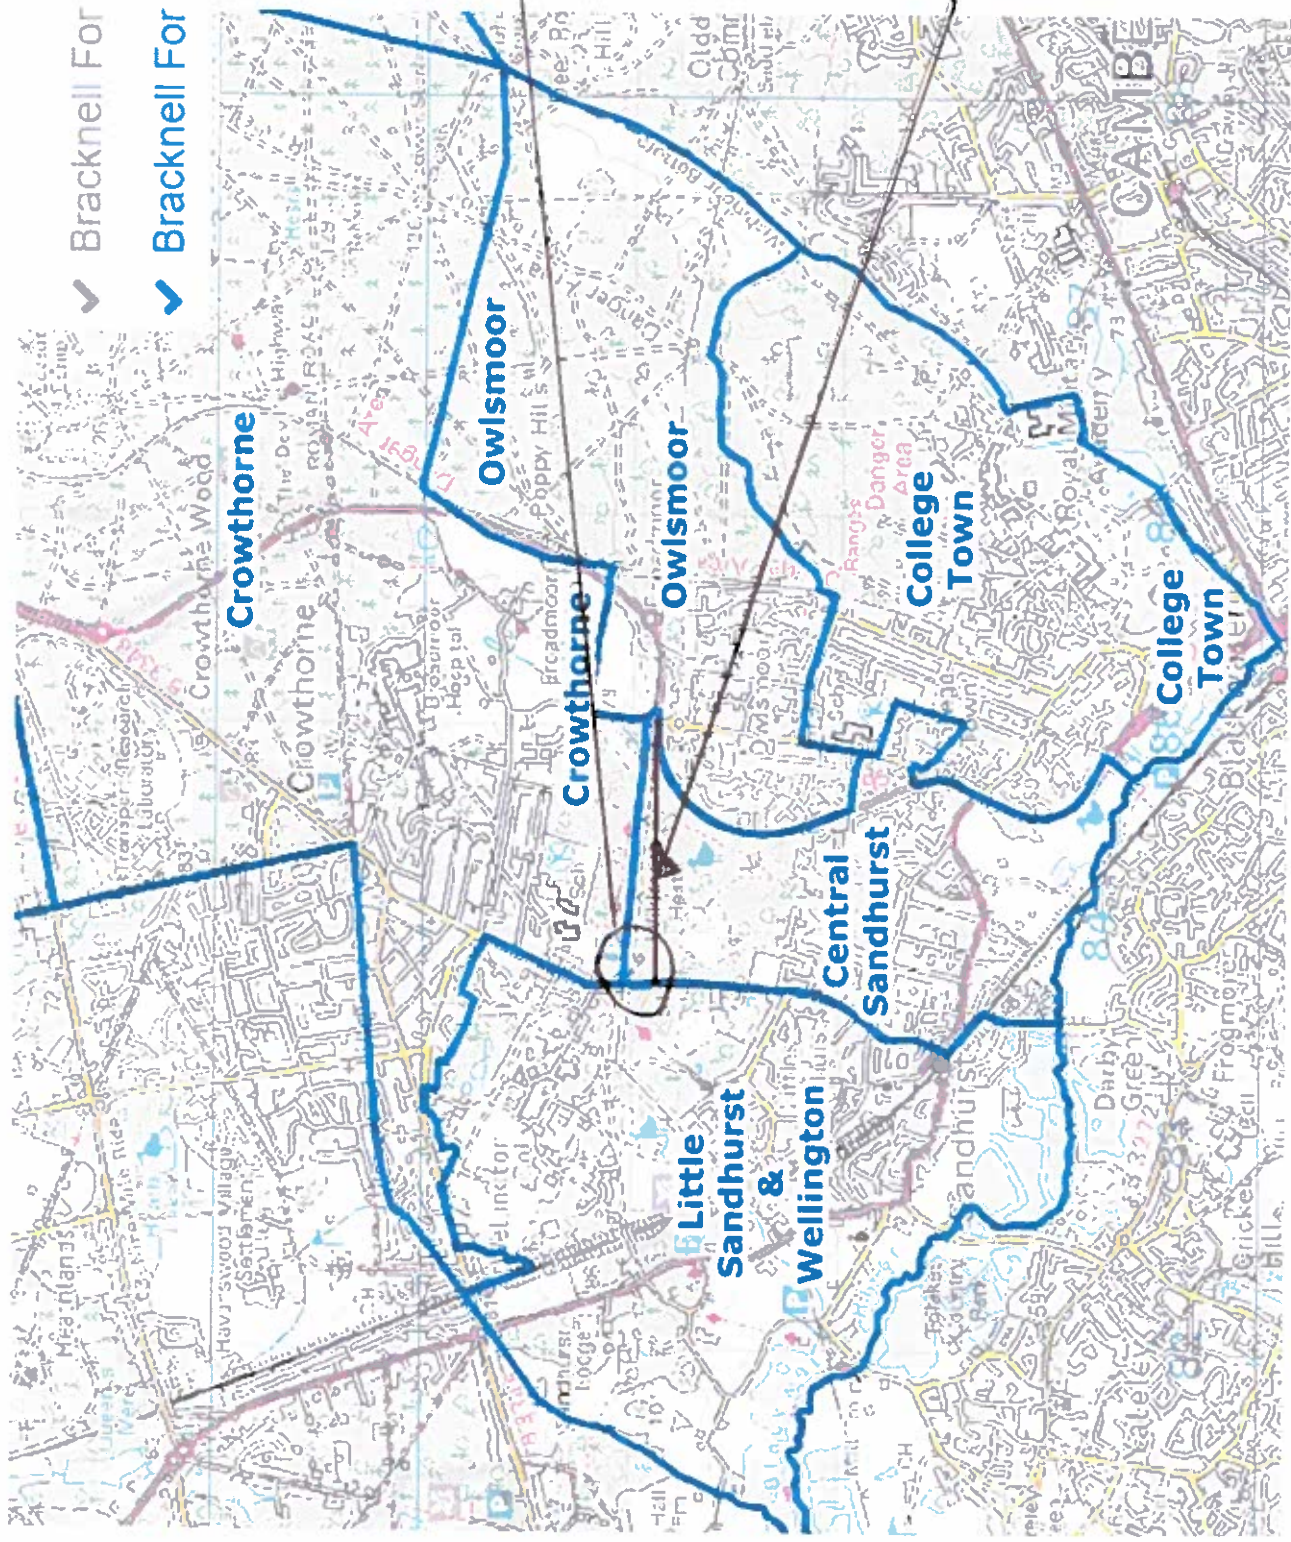

- 1) Our property is physically located much nearer to Crowthorne than Sandhurst.
- 2) Our location means we use the local services in Crowthorne (shops, GP, chemists etc.)
- 3) We identify with Crowthorne and feel part of the community.
- 4) We are actively involved in the Crowthorne community through the church, school, voluntary groups etc.
- 5) The change will not impact anyone else.

6) Our RG post code aligns with Crowthorne, whereas Sandhurst has a GU postcode.

Could you please confirm that our letter has been received and will be included in the review. Can you also please advise when your decision will be taken and made known to us.

Thank you
