to loose 8 ClIrs i would bring barrow hill in to the Lowgates ward and merge the 2 Whittington's together make that 3 clIr ward loosing the 2 from old Whittington. then merge Linacre ward with loundsely green and Linacre ward loosing 1 clIr there making that a 3 clIr ward, merge Moore ward with Dunstan loosing 2 ClIrs there Brimington north with Brimington south leaving 3 ClIrs loosing 2 and then west could be divided up between Walton and Holbrook loosing 1 ClIr there that would be 8. any ward that has too many resident's per clIr should not be touched or altered as the ClIrs are already representing a full amount in short as many wards as possible should go to 3 clIr wards not 2 clIr wards
