1) To keep the community of Kent View Road together. To achieve this, based on these proposals, all of Kent View Road, Bardfield Road, Kingswood Court and three homes on Clay Hill Road being moved from the draft Nethermayne boundaries to Pitsea South East Ward. So, Clay Hill Road and Timberlog Lane will be the new boundaries between Nethermayne and Pitsea South East Wards. Over a decade ago, the community of Kent View Road area formed a successful community group to fight Council plans to build on the park in Kent View Road. They now have a community center in the park area. The draft proposals will split this active community. 2) The new ward of St. Martin's re-unites Barstable West and Barstable East into the same Ward. It makes sense to call this ward Barstable Ward and also, Basildon was the location of the Barstable Hundreds.
