Comment text:

Church Street, Primrose Street, Grundy Road, Old Hall Street, Mabel's Brow and Barton Street, along with the New Jerusalem Church and Kearsley West School are in the town of KEARSLEY not Farnworth. Whilst it may be easier for the LGBCE to have ward boundaries along main roads, it is of huge importance to residents of the this part of Kearsley that they are included in the ward with their town's name. The proposed boundary should be moved from Bolton Road to Longcauseway/Crompton Street and run down the footpath to the bridge over the M61 and therefore include all of the town of Kearsley
