Subject: Proposed boundary changes the Bucklow Ward

Categories: Submissions, [REDACTED]

Good evening,

I would like to raise issues in support of residents who are concerned about the proposed changes to Bucklow Ward.

Warburton and Dunham are very rural and isolated farming communities. Many local people consider Dunham to be Altrincham and that it has very little in common with Partington and Carrington.

Our geographical location on the outer edges of Trafford leaves us already isolated from other areas of The Trafford Borough, with notoriously poor public transport.

To further remove us would not reflect our strong community identities nor our desire for better, more integrated services on par with other areas of The Borough.

Western Parishes, I feel would be a step back for Partington and Carrington. We need to be acknowledged as growing residential areas and Sale West is far more suited to our Ward than Dunham and Warburton. Indeed, it is accessible by public transport for representatives without the need for a vehicle.

Dunham and Warburton are not. I think this also needs to be very carefully considered in order to not penalise those without transport from feeling they can represent the Ward politically.

Thank you for your consideration.

Kind regards
Adele
