Organisation Name: Bucks Council

Comment text:

I am one of the current Bucks Unitary Cllrs for the area of West Wycombe and I would like to see the area of Sands to have its own Parish Council as the residents have petitioned. The ward would benefit of having x2 members elected for the same footprint as the West Wycombe ward (I cant speak for other wards), as x3 is too many. We have a 'missing Cllr' who since the election in May 2021 has not been seen. Sands is a village and has since now not had the chance of having its own Parish Council, instead it only has access to the toothless High Wycombe Town Committee which then has to pass everything through to the cabinet at Bucks Council to approve.
