Dear Sirs,

I am in complete agreement with the submission of Castle Point Conservatives.

As the Essex County Councillor for South Benfleet division I can confirm that the Jotmans Farm area naturally looks to Benfleet High Road rather than Tarpots as it's main commercial centre.

Also developers have been trying to develop that site for years and residents currently in St Mary's Ward would be most effected by it rather than those in your proposed design for Tarpots Ward.

Kind regards,

Cllr Sheldon
